Message from Lynbrook's Mayor William J. Hendrick...

A letter to small businesses, developers, and Lynbrook USA residents,

As the Mayor of Lynbrook, I want to welcome you to one of Long Island's premiere South Shore communities. Lynbrook USA is a thriving, prosperous village and we are "Open for Business"! Our Village enjoys a close working relationship between the Lynbrook Chamber of Commerce, loyal families and residents determined to "Shop Locally" and support Lynbrook.

We want to welcome some of our newest businesses who are now part of our Lynbrook family. We celebrate the grand opening of J.Mags, a newly renovated outstanding Bar and grill with savory dishes sure to please all. We welcome Zwanger-Pesiri, state of the art radiology for the health needs of our residents. We welcome Mathnasium, a math learning center and highly skilled and specialized facility that makes learning math fun! We celebrate the opening of Swingbellys, fantastic food, great atmosphere, and the art of barbecue. There are many, many more exciting and outstanding new businesses that we applaud and welcome as new members of our Lynbrook family. We are excited and look forward to the possibility of the upcoming construction of the MTA stores and to Lynbrook as being the future home of Regal Cinema's complex. Lynbrook USA is a vital Hub of business, families, community, outstanding education, safety and resources to benefit all.

Our Village enjoys a AA Bond rating by Standard and Poors, which is the best bond rating ever in the history of Lynbrook. Our Village Board, consisting of Mayor William J. Hendrick, Deputy Mayor Alan C. Beach, Trustee Michael N. Hawxhurst, Trustee Hilary H. Becker, and Trustee Thomas Atkinson are united in our focused efforts towards continued revitalization, beautification, and unparalleled economic development.

Lynbrook has undertaken major Public Park improvements, Public Work projects, recreational enhancements, and "Going Green" efforts in order to save tax payers millions of dollars and enhance our quality way of life. It is rewarding and exciting to be a part of the continued growth and prosperity of our great village. I can tell you now, The Best is Yet To Come!

On behalf of the Board of Trustees and myself, I would like to welcome you to join our village residents and our business community and become a part of one of the best places to live, work and raise a family.

Sincerely,
Mayor William J. Hendrick
