Mayor's Message

I realize no one wants to say goodbye to Summer, but the Fall season is coming to Lynbrook-like it or not. But here is the thing, you should "like it" because there is no better place to be in the Fall than Lynbrook. Fall means football and Lynbrook has football in the form of our beloved Lynbrook Titans who kick off their season with their traditional Bonfire and Pep Rally on September 9th at Greis Veterans Memorial Park. All residents are welcome to come cheer on our kids as they kick off their season!

In addition to football, the Village offers a full slate of kids and adult Fall programs at both the Lynbrook Recreation Center and Lynbrook Library. Please check out the back page of this newsletter and visit their websites to register.

There are also community family events! Lynbrook kicks off Fall with Oktoberfest on October 1st. Shortly thereafter, the Village will hold its Annual Halloweenfest Festival and Parade.

We also take time to remember September 11th at our annual

Garden Ceremony and commemorate Pediatric Cancer Awareness Month with the Lighting of the Gold Tree on September 12th. Both events take place at Village Hall.

So, while the weather may be cooling down, activities in Lynbrook are just starting to heat up. I hope to see you and your family at these community events. It's a great time to live in Lynbrook!

Sincerely,

Lynbrook Mayor Alan Beach

Mayor's Golf Outing

Once again, Lynbrook residents and businesses came out in full force to support the community during the annual Mayor's Golf Outing.

The August 21st event raised funds for the Lynbrook Community Chest, which provides financial help to Lynbrook residents who have fallen on hard times. Sponsored by the Lynbrook Chamber of Commerce, this year's honorees included C&L Plumbing Supply Inc. and The Langdon. Thank you to all the golfers who took part in the event!

Farewell Feather Factory -- Hello "The Langdon"

This summer saw the end of the blighted and unsafe structure at the corner of Langdon Place and Broadway. The removal of the Feather Factory marks the start of a new era for Lynbrook's Downtown with the construction of "The Langdon".

This beautiful complex will boast 55 studios, 111 one-bedroom, and 35 two-bedroom luxury apartments. It will also provide 205 spaces in its parking garage along with a retail cafe, clubroom, concierge and rooftop terrace, along with other luxury amenities.

Lynbrook Firefighters to the Rescue

Lynbrook firefighters responded to the scene of an auto accident and overturn at the corner of Ocean and Merton avenues on June 11.

One of the vehicles involved in the crash overturned and landed on its roof on the front lawn of a residence on Ocean Avenue. The second car in the accident had minor damage.

Firefighters, from the Truck and Tally-Ho companies tended to the driver of the overturned ve-

hicle with the help of members of the department's Emergency Medical Company under the command of Chief Chris Kelly. The driver was placed on a stretcher and transported to a local hospital by Lynbrook's Emergency Medical Company ambulance.

Two other injured passengers were taken to a hospital by a Northwell Health ambulance. No one was seriously injured. A fourth person declined medical help.
