The following drawing must be completed

**\*\*CONTRACTORS MUST PROVIDE NASSAU COUNTY CONSUMER AFFAIRS LICENSE, WORKMENS COMP. & LIABILITY INSURANCE CERTIFICATES WITH THE VILLAGE AS A CERTIFICATE HOLDER.**

I agree to strictly comply with all the terms, provisions and conditions of Chapter 212 of the Inc. Village of Lynbrook Sidewalk code and ordinance, to regulate, control and prescribe the method and manner of construction, reconstruction repair and maintenance of all sidewalks, curbs, gutters and driveways in the Village of Lynbrook, Nassau County, New York. The Building Department must be notified of any public signs being removed or damaged during construction. The contractor is responsible for said signs and replacement.

Due to the fact that the Village Engineer can't give lines and grades, a visible evaluation confirms no change in Grade of Lines. Inspection is required prior to pouring concrete. You are to notify the Building Department at (516) 599-8828 24 hours prior to pouring. Contractor's waste is the responsibility of the permit holder or contractor for removal.

Applicant Signature: \_\_\_\_\_ Date: \_\_\_\_\_

Permit # \_\_\_\_\_ Date: \_\_\_\_\_ This permit is valid for \_\_\_\_\_ working days.
