Chapter 212. Streets and Sidewalks

Article I. Maintenance and Use

§ 212-7. Destruction of shade trees.

No person shall in any way injure or destroy any tree planted or grown upon any sidewalk, public street or highway within the Village.

§ 212-8. Removal of shade trees.

[Amended 9-11-1978 by L.L. No. 14-1978]

- A. Permit required. No person shall remove any shade tree planted or growing upon or adjacent to any public sidewalk, street or highway within the Village, except upon a permit to be issued by the Superintendent of the Building Department upon an application thereof.
- B. Application for permit. The application for such permit shall contain an agreement on the part of the applicant that he will remove the tree or trees at his own cost and expense and hold the Village harmless; that he will replace said tree with a live pin oak (genus quercus) tree, willow oak, Bradford pear or sophora tree at least 10 feet in height above the existing sidewalk grade within four months; in addition, that he shall properly care for said tree to assure its continued life; that if he does not replace said tree within such time, the Village may cause a tree to be planted in the place and instead of the tree removed and charge the cost thereof to the applicant in addition to any penalty imposed for such violation.
